

Opening Research Data

Amplification and Reduction within Media Research Practices

First workshop of the scholarly interest group (SIG) [“Open Media Studies” \(GfM\)](#)

Program

Thursday, March 21, 2019, 11-19.30h, followed by a joint dinner

- 10-11 h Arrival and registration
- 11.00 h Welcome and brief introduction
Sarah-Mai Dang, Simon David Hirsbrunner, Elly Köpf
- 11.30 h Introduction of participants
- 12.00 h Input: Collaboration and interaction within Wikidata
Linda-Rabea Heyden and Jan Dittrich (both Wikimedia Deutschland e. V.)
- 12.45 h Lunch at Grand Bistro
- 14.00 h Presentation of Zotero project “Digital Media Research”
Simon David Hirsbrunner and Sarah-Mai Dang
You can join the Zotero group in advance via:
https://www.zotero.org/groups/2238526/open_media_studies_scholarly_interest_group_at_gfm
- 14.30 h Splitting into breakout groups
- 14.45 h Breakout sessions (2 x 3-4 sessions)
(suggested topics based on statements of interest):
- Metadata: standardization vs. situated meaning and access
 - Collaboration and interdisciplinarity
 - Openness and digitality
 - Open ethnographic data
 - Data management in media research
 - Data in the Humanities: concepts and legal frameworks
- 16.45 h Plenary session
Gathering, presenting and discussing results of breakout sessions
- 17.45 h Coffee break
- 18.00 h Meeting of the Scholarly Interest Group (SIG)
(open to all interested participants)
- 19.30 h Dinner at WAU

Language

The main inputs and discussions at the plenary session will be held in English. However, breakout sessions might discuss in German or English - depending on the participants.

Preparation

There will be no formal presentations by participants. You might want to say a few sentences about your main interests regarding open research data in the introduction round. If you like, join or have a look at our Zotero group via:

https://www.zotero.org/groups/2238526/open_media_studies_scholarly_interest_group_at_gfm

Catering

Lunch, drinks and cookies will be provided, dinner will be at your own expense.
